

Esteemed Commissioners,

I have had a problem with my cell phone service for about 12 of the last 18 months. The ONLY reason I have not switched providers is because I do not want to give up my phone #. Being able to keep our phone #'s should be an option for everyone. It would encourage the providers to compete for our business by providing things unfamiliar to us like, QUALITY CUSTOMER SERVICE and COMPETITIVE PRICES. I am sure you will keep the consumers best interests in mind when making your decision.
